Full description:

4/5 Bedroom Modern Family Home With Garage & Self Contained 2 Bedroom Apartment, All On Circa 4 Acres

A superior home in every sense, detached, a very private location, impeccably presented interior, and a detached two storey garage with a two bedroom self contained apartment overhead.

This instantly appealing family home has an overall floor area including garage and apartment of approx. 4000 sq. ft., and offers a wonderful blend of sophistication and comfort.

It was built with care and attention to detail on a slightly elevated site, which enjoys panoramic rural views that extend for miles.

The location is also convenient being approx. 5 miles from Skibbereen town and within an hours drive of Cork city and airport.

Services: Private well, septic tank, double-glazing and oil heating.
