Full description:

Lake Como Villa with large private garden, private swimming pool and breathtaking lake views in Como.

This extensive villa with large private garden and swimming pool is located in a peaceful and prestigious position on the hillside above Como with spectacular views of the lake and the town of Como.

The 500sqm villa is distributed predominantly over 1 level and is currently divided as two units each with separate entrances but it would be simple to unify the villa into one. It is also possible to extend the villa.

The Villa is set with a largely flat, and well planted garden of approximately 500sqm with excellent sun orientation and private swimming pool.
