### Full description:

In one of the most prestigious areas of Rome, very close to Piazza Navona, this exclusive apartment, recently luxuriously renovated, has parquet wooden floors, high caisson ceilings of 4 m and mosaic bathrooms.

Prestigious and luxurious apartment on the third floor of a beautiful period building dating to the 1700's.

The property comprises entrance hall, open plan triple lounge with two

An entrance, with guest bathroom and closet, leads to a spacious and elegant room/studio, which is one of the four living rooms, connected by spacious openings that make this part of an open plan living area.

In addition there is also two other living rooms with two fireplaces, a kitchen with a breakfast bar and a full bathroom.

This apartment has a very impressive view and has been redecorated with very high standards, luxuriously, ultra-modern, simple and elegant style while retaining the original coffered ceiling. This property its also equipped with a fitness room and Turkish bath.
