Full description:

A truly remarkable and extremely spacious wide fronted apartment set in this exclusive block finished to a superb and luxurious standard enjoying breathtaking 180 degree of open views. Accommodation comprises hall, sitting / dining room leading onto a large front terrace from which open views can be enjoyed, fitted kitchen / breakfast area, 3 bedrooms, 2 bathrooms (1 ensuite), laundry room / box room, back terrace

and a 2-car garage. Another great attraction is the use of a large communal swimming pool surrounded by ample deck area and lovely gardens.

Rabat is a much sought after village just outside Mdina, Malta. The name of the village is derived from the Arabic word for 'suburb', as it was the suburb of the old capital Mdina.

The village has huge charm and character and is also close to the dramatic west coast of Malta including the magnificent cliffs of Dingli.
