Full description:

Thoughtfully planned to provide the ultimate lifestyle, this wide fronted penthouse is just a few moments away from Spinola Bay and all amenities. Designed for modern living with finishes of the highest standards throughout, the floor plan comprises an open plan kitchen/ living/ dining area opening onto a large terrace, 3 bedrooms (main with shower en-suite), bathroom, rear terrace and an underlying 2 car lock-up garage.

The property is freehold and is being sold inclusive of all modern furnishings, fittings plus the ownership of airspace. Also has Solar water heater.

St.Julians is one of the most popular areas to live in Malta due to its seafront location and endless amenities including restaurants, bars, cafe's and shopping. Properties in this area are also in high demand for the rental market.
