The property features an attractive reception room with separate kitchen and three well proportioned bedrooms, the master with en suite bathroom. The building offers a lift and one car space is included with the apartment. This stunning three bedroom apartment situated within a prestigious

development in the heart of Sliema offers ample living space. Sliema (or Tas-Sliema) is a town located on the northeast coast of Malta. It is, relatively speaking, a modern town. It is a centre for shopping, restaurants and café life. Sliema is also a major commercial and residential area and houses several of Malta's most recent hotels. Sliema, which means peace, comfort, was once a quiet fishing town on the peninsula across Marsamxett Harbour from Valletta. Sliema and the coastline up to neighbouring St. Julian's constitute Malta's main coastal resort. Sliema nowadays has

a great deal of turnover of foreign expatriates who reside temporarily. The Sliema promontory offers on one side stunning views across to Valletta and on the other, open sea views. The promenade, which runs for several kilometres from Gzira just south of Sliema to St Julian s, is ideal for walker and joggers.
