Full description:

An extremely bright and spacious 5 bedroom villa situated in a sought after quiet residential area of Lagos near the town centre and Porto Mos Beach, ideal for a permanent residence and/or rental investment property.

A bespoke villa built by a local prestigious builder in the 90's for himself, this villa boasts a massive build area characterised by 5 spacious bedrooms, a large lounge, kitchen with dining area and

separate dining room/office. The large landscaped garden is easy to maintain, completely orientated to the south it benefits from all day sun exposure on the swimming pool and garden area. The plot is a well appointed 900 square metre corner plot, with plenty of privacy and mature lush garden. Built area of 200 square metres. The complete lower level hosts a garage space for 6 cars, or perfect for a boat or Jet Ski. This space can also be easily converted into another guest accommodation, games room, wine cellar and much more.
